

2023 Song Leading List

Songs with song numbers are taken from Songs of Faith and Praise, published by Howard Publishing, Simon and Shuster. Songs without song numbers are taken from Paperless Hymnal™ or EPraise Hymnal™. Two of the convention rooms will have songbooks, and the third room will have a projection system for the songs. Those leading singing in the room with the projection system will be given a printed sheet to lead the song from.

Explanation from the Event Coordinator on the "Level 1" and "Level 2"

labels: Song leaders can choose a song from either list and it will not affect scoring or judging. Novice and Advanced song leaders can choose a song from either list. However, the Level 2 songs generally offer more opportunity for song leaders to adjust how they lead the song (varying the speed, volume, mood) and exhibit their skills. Advanced and seasoned song leaders are encouraged to consider songs from Level 2 to assist with continued growth.
